Chief Headquarters Training, OS/OTR

Annual briefing of the Foreign Service Inspectors of the
Department of State

1. This memorandum results from our telephone conversation of this date.
2. As you know, OS/OTR is responsible for structuring the annual CIA briefing of members of the Foreign Service Inspectors Corps of the Department of State. This year's meeting will be held from 1000 through 1200 on 23 January 1958. Mr. Lyman B. Kirkpatrick, Inspector General, will chair the session.
3. Attached is the list of the 19 members of the FSIC who will attend the session. I have been assured by Mr. R. Borden Reams, Special Assistant for Operations, Office of the Under Secretary of State, that each individual on the list holds a clearance from State for access to Top Secret material. You will note that all but six personnel (identified by an asterisk on the attached list) have attended previous sessions and, therefore, I assume have been cleared previously by this Agency.
4. Security clearance for those listed and Mr. Reams is hereby requested.
